

VINCENT S. REPPUCCI, M.D.

EDUCATION

Fellowship:

7/87-6/88:

Vitreoretinal Surgery
New York Hospital-Cornell Medical Center
New York, New York 10021
Preceptors; D. Jackson Coleman, Harvey Lincoff,
Stanley Chang

Residency:

7/84-6/87:

Ophthalmology
Edward S. Harkness Eye Institute
Columbia Presbyterian Medical Center
New York, New York 10032
Chairman; Charles J. Campbell

Internship:

7/83-6/84:

Internal Medicine
Nassau Hospital
Winthrop University Medical Center
Mineola, New York
Chairman; John Aloia

Medical:

9/79-6/83:

Albert Einstein College of Medicine
Yeshiva University
Bronx, New York 10461
MD Degree, 6/83

Undergraduate:

9/75-5/79:

School of Engineering and Applied Sciences
Columbia University
New York, New York 10027
BS Bioengineering, 5/79

ACADEMIC APPOINTMENTS

8/14-present:

Attending, Retina Service
New York Eye and Ear Infirmary of Mt Sinai
New York, New York 10003

9/07-present:

Director, Retina Service
St. Luke's-Roosevelt Medical Center
Mount Sinai Health System
New York, New York 10019

- 7/03-12/07: Associate Professor of Ophthalmology
Department of Ophthalmology
Weill Medical College of Cornell University
New York, New York 10021
- 8/98-6/03: Assistant Professor of Ophthalmology
Department of Ophthalmology
Weill Medical College of Cornell University
New York, New York 10021
- 7/99-6/08: Adjunct Assistant Professor of Clinical Ophthalmology
Department of Ophthalmology
Columbia University College of Physicians & Surgeons
New York, New York 10032
- 3/96-6/99: Assistant Professor of Clinical Ophthalmology
Department of Ophthalmology
Columbia University College of Physicians & Surgeons
New York, New York 10032
- 9/94-8/98: Assistant Clinical Professor of Ophthalmology
Department of Ophthalmology
Cornell University Medical College
New York, New York 10021
- 7/92-9/94: Assistant Professor of Ophthalmology
Department of Ophthalmology
Cornell University Medical College
New York, New York 10021
- 7/88-6/92: Clinical Instructor in Ophthalmology
Department of Ophthalmology
Cornell University Medical College
New York, New York 10021

HOSPITAL APPOINTMENTS:

- 9/2008-present: Attending Surgeon
New York Eye and Ear Infirmary of Mt Sinai
New York, New York, 10003
- 7/2007-present: Senior Attending Ophthalmologist
St. Luke's/Roosevelt Hospital
New York, New York 10019
- 8/94-7/2007: Associate Attending Ophthalmologist
St. Luke's/Roosevelt Hospital
New York, New York 10019
- 7/2003-12/2008 Associate Attending Ophthalmologist
New York-Presbyterian Hospital Weill Cornell Campus
New York, New York 10021

- 7/88-6/2003: Assistant Attending Ophthalmologist
New York-Presbyterian Hospital Weill Cornell Campus
New York, New York 10021
- 3/96-6/2002: Assistant Attending Ophthalmologist
New York-Presbyterian Hospital Columbia Campus
New York, New York 10032
- 7/98-present: Associate Attending Surgeon
Department of Surgery
Danbury Hospital
Danbury, CT 06810
- 7/88-6/98: Assistant Attending Surgeon
Department of Surgery
Danbury Hospital
Danbury, CT 06810
- 1990-1995: Consultant Staff
Fairfield Hills Hospital, Newtown, Ct, 06470
1990 to 1995

BOARD CERTIFICATION

- | | |
|-------------------------------------|-----------|
| American Board of Ophthalmology | May, 1989 |
| National Board of Medical Examiners | May, 1984 |

PRESENTATIONS and INVITED LECTURES

Reppucci, VS: Successful Closure of Bilateral, Recurring Macular Holes using "TOT": A Case Study; Nantucket Retina, Nantucket, Massachusetts, July 22-24, 2015

Reppucci, VS: Diabetic Retinopathy; Finding the Retinal Hole; Scleral Buckle as Primary RD repair; 5th International Thessaloniki VitreoRetinal Summer School, Thessaloniki, Greece, June 22-27, 2015

Reppucci, VS: Diabetic Retinopathy – terminology, epidemiology, pathogenesis, classification; Nonproliferative Diabetic Retinopathy: What is it? How can we manage it? tips and tricks about daily clinical practice; Diabetic Macular Edema: general presentation, definition, pathogenesis, diagnosis, therapeutical approach – indications and options; Laser photocoagulation in NPDR and diabetic macular edema: Clinical approach – practical aspects; Proliferative Diabetic Retinopathy: progression, diagnosis, management, follow-up; The Diabetic Course, Romanian Retina Society, Bucharest, Romania November 15, 2014

Reppucci, VS: Keynote Lecture: Lateral capillary forces as the mechanism of closure in Macular Holes; International School of Ophthalmology 2014 - 6th Edition, Lecce, Italy September 26–28, 2014

Reppucci, VS: Non-operating room injections of intravitreal medications; My personal technique, tips, tricks, and pearls; International School of Ophthalmology 2014 - 6th Edition, Lecce, Italy September 26–28, 2014

Reppucci, VS: Macular Hole Closure, Pisciform and Homarus Americanus Reproduction. A Common Mechanism; Nantucket Retina, Nantucket, Massachusetts July 24-25, 2014

Reppucci, VS: How to Perform a Retinotomy (Properly); 4th Thessaloniki Vitreo-Retinal Summer School, Thessaloniki, Greece June 16-21, 2014

Reppucci, VS: Mechanism of Macular Hole Surgery; Macular Hole Surgery: Advanced Course; EVER 2013, Nice, France September 18-21, 2013

Reppucci, VS: Scleral buckle provides rapid postoperative recovery in select cases; Mechanism of closure of macular holes; Description of In-office Intravitreal injections (video and didactic) as is routine in USA; 3rd Thessaloniki International Vitreo-Retinal Summer School, Thessaloniki, Greece, June 18-22, 2013

Reppucci, VS: Lateral capillary forces as the mechanism of closure in Macular Holes; Scleral Buckle: an important and overlooked procedure in retinal detachment repair surgery allowing for the most rapid visual and functional recovery; Non-operating room injections of intravitreal medications; My personal technique, tips, tricks, and pearls; Moderator: War of the Gauges; Mediterretina 2103, Cortina, Italy, March 7-9, 2013

Reppucci, VS: Finding the Retinal Hole; 2nd Thessaloniki International Vitreo-Retinal Summer School, Chalkidiki, Greece, September 14-16, 2012

Reppucci, VS: Epidemiology and Pathophysiology of Diabetic Retinopathy; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci VS: Proliferative Diabetic Retinopathy: Past, Present, and Future; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Lessons learned from PVR: Perfluoron (PFO) and Panoramic Viewing; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Primary Non-traumatic Giant Retinal Tears: To Buckle or not to Buckle!; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Anterior resection of the vitreous base in PVR; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Management of Vitreous Hemorrhage: Surgical and Pharmacotherapeutic; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Management of Macular Holes: Pathogenesis, Mechanism of Closure, Causes of Failure; XIV Kuwait International Ophthalmology Symposium, 2012 (Retina Update), Salmiya, Kuwait March 24-25, 2012

Reppucci, VS: Segmental scleral buckle allows for rapid functional and visual recovery post rd repair; 7th Pan Hellenic Vitreo-Retinal Meeting, Athens, Greece January 13-15, 2012

Reppucci, VS: Management of macular holes: Mechanism of closure and causes of failure; Segmental Scleral Buckle: Why its being ignored?; 5th Mediterretina Club International Meeting-Tour Jordan, Amman, Jordan November 9-13, 2011

Reppucci, VS: Scleral Buckle: Why is It Being Ignored?; Nantucket Retina, Nantucket, Massachusetts, July 28-29, 2011

Reppucci VS: Management of Macular Holes: Mechanism of Closure and Causes of Failure. International Summer School of Ophthalmology, Lecce, Italy June 24-30, 2011

Reppucci, VS: Macular hole closure: Physics behind macular hole closure; 6th PanHellenic Vitreo-Retinal Meeting, Athens, Greece January 14-15, 2011

Reppucci, VS: Scleral Buckling for primary and recurrent retinal detachments. Why is it being ignored?; 5th Pan Hellenic Vitreo-Retinal Meeting, Athens, Greece January 15-16, 2010

Reppucci, VS: Macular Holes: Interfacial Forces (Surface Tension) as a Mechanism Of Closure Of Macular Holes; Scleral Buckling for Primary And Recurrent Retinal Detachments; Why is it Being Ignored?; Perfluorocarbon Liquids to Assist in Surgical Management of Diabetic Traction Detachment; 4th Mediterretina Club, Nile Cruise, Egypt, February 13-17 2010

Reppucci, VS: Role of Avastin in Surgical Management of Proliferative Diabetic Retinopathy; Facilitation of Macular Surgery using Perfluorocarbon Liquids. International Meeting Reggio Retina 2007, Reggio Calabria, Italy, June 7-9, 2007

Reppucci, VS: Internal Tamponade Choice in the Treatment of Posterior Ocular Trauma. EURETINA 2007 Course: New Strategies and concepts in the treatment of ocular traumas. Monte Carlo, May 18-19, 2007

Reppucci, VS: Age related Macular Degeneration: New Treatment Options; Vitreo Retinal Surgery Videos/Workshop, OPEN MEDICAL INSTITUTE – Salzburg Weill-Cornell Seminar – Ophthalmology, Salzburg, Austria, April 22-28, 2007

Reppucci, VS: Internal Retinal Tamponade Choices With Posterior Segment Injury. Update in Management of Posterior Segment Ocular Trauma Symposium, American Academy of Ophthalmology Annual Meeting, Las Vegas, NV, November 11-14, 2006

Reppucci, V: Macular Holes: Lateral Capillary Forces (Surface Tension) as a Mechanism of Closure. Combined Club Jules Gonin and Retina Society Meeting, Cape Town, SA, October 15-20, 2006

Reppucci, V: 25 gauge Vitrectomy in Diabetic Retinopathy. 8th International Vitreoretinal Surgery Meeting, Monza, Italy September 23, 2006

Reppucci V: Macular Holes: Lateral Capillary Forces (Surface Tension) as a Mechanism of Closure. Nantucket Retina 20th Meeting, Nantucket, Massachusetts, July 27-28, 2006.

Reppucci V: Diabetic Retinopathy: Epidemiology and Pathophysiology; AMD and VEGF Blockade; Diabetic Retinopathy: Metabolic and Systemic Issues; Management of Diabetic Macular Edema. Retinal Surgery Workshop and Videos, OPEN MEDICAL INSTITUTE – Salzburg Weill-Cornell Seminar – Ophthalmology, Salzburg, Austria, May 7 - May 13, 2006

Reppucci VS: Lateral Capillary Surface Tension Forces as a Mechanism of Closure in Macular Hole Surgery. 1st Pan Hellenic Vitreo-Retinal Meeting, Athens, Greece January 13-16, 2006

Reppucci VS: PSC formation with Intravitreal Triamcinolone. Nantucket Retina, Nantucket, Massachusetts, July 28-29, 2005.

Reppucci V: Emovitreo e Retinopatia diabetica proliferante: quando intervenire e con quale tecnica. Congresso Complicanze Oculari Del Diabete, Torino, Italy, May 27, 2005

Reppucci VS: Macular Holes: Interfacial Forces (Surface Tension) as a Mechanism of Closure; Perfluorocarbon Liquids to assist in Surgical Management of Diabetic Traction Detachments 8th Vitreoretinal Symposium Frankfurt-Marburg 2005, Frankfurt, Germany, April 8-9, 2005

Reppucci VS: Macular Holes: Interfacial Forces on Mechanism of Closure. Masters Meeting of ASRS, Nassau, Bahama, March 14-16, 2005

Reppucci V. Peeling of the Internal Limiting Membrane using PFO in Macular Edema. New Therapies in Retinal Diseases, Rome, Italy, June 4-5, 2004

Reppucci, V: Surgical Considerations in Pseudophakic Cystoid Macular Edema. New Therapies in Retinal Diseases, Rome, Italy, June 4-5, 2004

Reppucci VS: Macular Hole Surgery Outcomes with Perfluoron Assisted ILM Removal. American Society of Retina Specialists Annual Meeting, New York City, New York, August 18-20, 2003.

Reppucci V: Giant Retinal Tear Repair: Should the Lens be Removed? 5th GIVRE Meeting 2003 Reggio Calabria, Italy June 27-28, 2003

Reppucci VS: Recurrent Retinal Detachment with PVR. Arizona Foundation for the Eye Vitreoretinal Symposium, McMinnville, Oregon June 19-22, 2003

Reppucci VS: Lessons Learned from PVR: Perfluoron (PFO) and Panoramic Viewing. Around the Globe in Three Days: Endotamponade and Intraocular Substances in Vitreoretinal Surgery, Cervia, Italy September 7-9, 2002

Reppucci V, PFO in the Hole. Nantucket Retina, Nantucket, Massachusetts, July 25-26, 2002

Reppucci, VS: Endoscopy Assisted Removal of a Large IOFB with RD; 2002 EVRS Congress — Chalkidiki: Anterior Segment Meets Posterior – A Love & Hate relationship, Chalkidiki, Greece June 2-4, 2002

Reppucci VS: Anterior Resection of the Inferior Vitreous Base, Ora, and Ciliary Epithelium, in PVR. Vitreous Society Annual Meeting, Puerto Rico, November 29, - December 1, 2001.

Reppucci VS: Perfluoro-n-octane Assisted Identification and Removal of Multiple Macular Membranes in Macular Surgery. Vitreous Society Annual Meeting, Puerto Rico, November 29, -December 1, 2001.

Reppucci VS: Update in PVR Surgery. IX UPDATE: Retina 2001, Reggio Calabria, Italy Sept 7-8, 2001.
