*Program***

Welcome

Dear Colleagues and Friends,

We are delighted to welcome you to the **22nd International Meeting of the EGVRs**, where we will explore the theme “**Retinal Dilemmas**”. This year, we are excited to bring together an exceptional lineup of renowned speakers from Egypt, as well as distinguished international experts from Greece, Italy, France, the UK, Denmark, Japan, and the United States. Their diverse perspectives and vast experiences will undoubtedly enrich our discussions and foster a dynamic exchange of knowledge.

Throughout the meeting, we will tackle the complex challenges in retinal research and treatment, sharing insights that can lead to innovative solutions. We encourage you to engage actively, ask questions, and collaborate with your peers, as we collectively seek to advance our understanding and improve patient outcomes.

Thank you for joining us in this important dialogue. We look forward to an inspiring and productive meeting!

Warm Regards,
