Welcome

Dear friends and colleagues:

On behalf of the Organizing Committee, it is our great pleasure to welcome you to **15th Egyptian Vitreoretinal Society (EGVRS) Meeting** at the Cairo Fairmont Heliopolis Hotel & Towers.

EGVRS is considered to be the most prominent vitreoretinal society in Egypt and Middle East. This has been achieved through our continuous educational and scientific activities and maintaining a high standard for our scientific content. Our aim is to make it one of the landmark retina meetings in the world.

We are proud to present a program with a distinguished faculty of the leaders in vitreoretinal surgery in Egypt and worldwide. This meeting will focus on untouched areas like Retinal imaging, pediatric retina and ocular oncology and will tackle different topics in dynamic formats of symposia, debates and panel discussions. Live surgery will be the highlight of the meeting and the new addition is breakfast with the experts.
